

“The Legend” Dr. Jens O. Andreasen will present the Keynote Scientific Session

2017 Conference Theme:

“DENTAL TRAUMA IN CHILDREN AND ADOLESCENTS”

The **Canadian Academy of Pediatric Dentistry (CAPD/ACDP)** has opened registration for its Annual Meeting to be held in **Winnipeg, Manitoba, Canada** on **September 14, 15 and 16, 2017**. We invite you to attend what promises to be an incredible weekend, complete with current and clinically relevant educational sessions, a Welcome Reception at the iconic Canadian Museum for Human Rights, and a Gala Dinner and Dance in the heart of downtown Winnipeg.

Dr. Jens O. Andreasen will deliver the Keynote session: **New studies on the long-term fate of traumatized primary teeth and consequences for permanent successors, and new knowledge and pulp healing events in traumatized permanent teeth suffering luxation injuries.**

Dr. Andreasen received his dental degree from the Royal Dental College, Copenhagen, in 1959. He has authored 400 publications and 12 textbooks covering topics such as dental traumatology, tooth replantation and autotransplantation, tooth eruption and tooth impaction. In relation to traumatology the Textbook and Color Atlas of Dental Traumatology is now in its 5th edition and includes 62 contributors.

The Scientific Sessions will include: one of the North America's top dental scientist **Dr. Christopher McCulloch**, “Healing Potential of Oral Soft and Mineralized Tissues in the Paediatric Patient”; the past RCDC President **Dr. Leland McFadden**, “Treatment of Facial Injuries in Children and Adolescents”; a well-known dental researcher **Dr. Rodrigo Cunha**, “Endodontic Consideration when Treating Complications due to Dental Trauma”.

Meeting Headquarters is at the **Fort Garry Hotel**, which is located in the heart of the city and within easy walking distance of the Winnipeg’s famous tourist attraction, the Forks, and the Canadian Museum for Human Rights, the world largest Human Right Museum.
